

Houghton Valley School Property Update

28 July 2023

Kia ora te Whānau

Next week, we have our new ceilings in the library and main foyer going in. This means the main entrance will be blocked off and we will not be able to access the Office area or the Junior school through here.

We can access the Junior classrooms through their exterior doors.

We are setting up a makeshift Office area in Nikau - Room 3 for the week. You can find Denise and Luana here.

We thank you for your patience. We are excited that we have some good progress happening!

Take care and keep warm.

Ngā manaakitanga

Luana Carroll
Principal, Houghton Valley School
